## In this Section

- Chairman's Foreword
- The Commission Secretary's Overview
- IEBC Highlights 2020-2021

## Foreword

I am delighted to share the Annual Report of the Independent Electoral and Boundaries Commission for the Financial Year 2020/2021.

During the year under review the Commission conducted a number of electoral activities including the verification of supporters for the Constitution of Kenya (Amendment) Bill, 2020, popularly known as the BBI Initiative. The Commission after confirming that the bill had met the minimum threshold of at least one million supporters submitted the draft Bill to each of the forty seven (47) County Assemblies. The verification of supporters for the popular initiative brought to fore the need for an elaborate electoral law regime to govern the referendum process. The Commission on its part submitted a draft Referendum Bill to the National Assembly and its enactment will provide a comprehensive legal framework for the conduct of referenda.

In addition, the Commission developed its Strategic Plan 2020-2024, that focuses on six key result areas. These are: strengthening corporate governance; strengthening the legal framework; effective conduct of elections; public outreach through effective voter education and strategic partnerships, collaboration and communication; equitable representation and strengthening strategic operations. To operationalize the Strategic Plan, the Commission developed the Boundaries Review Operation Plan and the Election Operation Plan that set out the implementation and coordination framework for among other activities, the boundaries review process and the 2022 General Election. The Strategic Plan, the Election Operation Plan (EOP) and the Boundaries Review plan were unveiled on 15<sup>th</sup> June 2021 during a launch held at the Bomas of Kenya and was attended by partners and stakeholders in the electoral process.

Alive to the fact that Electoral activities should be conducted within a settled legal framework, the Commission developed and submitted to the National Assembly for debate: The Elections Campaign Financing (amendment) Act 2020; The Referendum Bill 2020; and the IEBC (amendment) Act 2020. Moreover, the Commission prepared and submitted, to Parliament, a report on its assessment of the electoral legal framework and proposals for amendments to the electoral laws titled, **“Electoral Law Reform in Kenya: The IEBC Experience”**. The report, inter alia, details a comparative analysis of electoral systems similar to Kenya and gives an understanding of the threshold for electoral laws as well proposed areas for reform.

The Commission also takes cognizance of the fact that COVID 19 has afflicted the country and continues to impact on all aspects of our livelihood. To ensure that Kenyans continue to exercise their political rights, the Commission in conjunction with the Ministry of Health, developed protocols for conducting electoral activities in the COVID 19 environment. These protocols have been successfully applied during by-elections and other Commission activities conducted during the period under review. Furthermore, the Commission mounted a successful COVID 19 testing and vaccination drive for its staff as one of the ways of curbing the spread of the virus within electoral activities.

As part of gearing up for the upcoming 9<sup>th</sup> August 2022 General Elections, the Commission is in engagement with various stakeholders in the electoral process to address a number of challenges. Key among them is the National Police Service which the Commission met and deliberated on election security with the aim of averting pre-poll, poll and post-poll violence. The Commission is equally in discussions with the office of the Director of Public Prosecution to explore collaboration that will see expedient investigation and prosecution of electoral and other related offences.

In addition, the Commission is pursuing a tripartite engagement with the Commission for University Education and the Kenya National Qualification Authority (KNQA) for purposes of authenticating academic certificates for aspirants during clearance to contest the upcoming General Elections. Additionally, the Commission entered discussions with the Communication Authority of Kenya (CAK) to resolve the lack of 3G network connectivity in some parts of the country that is necessary for transmission of election results from polling stations to tallying centers.

Furthermore, the Commission has engaged the media fraternity, through the Kenya Media Sector Working Group (KMSWG) in an arrangement that will facilitate effective and accurate media reporting on electoral activities. This will serve to ensure that factual information is disseminated to the public.

Finally, I wish to acknowledge the support accorded to the Commission by our stakeholders and partners during the period under review and look forward to greater collaboration towards a stronger democracy.

God bless Kenya.

## The Commission Secretary's Overview

This Financial Year 2020/2021 Report details the Commission's programmes and activities undertaken in the year under review which are hinged on the final implementation year of the 2015-2020 IEBC Strategic Plan.

Despite the challenges of the Covid-19 pandemic, the Commission managed to successfully conduct 19 by-elections and the Annual Voter Education Week (AVEW). The Strategic Plan 2020-2024 was the Commission's key Launchpad for the 2022 General Elections and the Boundaries Delimitation.

During the year under review, the Commission received the Constitution of Kenya (Amendment) Bill, 2020 with 4.4 million supporting signatures for verification. Further, a consultative process to update the electoral geodatabase in preparation for the delimitation exercise as outlined in the Boundary Review Operations Plan (BROP) was initiated.

In the year 2020/2021, the Commission recruited 64 qualified Kenyans to fill vacant positions occasioned by staff exit on various grounds. The Commission is committed to interacting with its stakeholders in planning and implementation of its programmes and activities including Corporate Social Responsibility (CSR) initiatives. Additionally, the Commission conducted several primary, secondary, tertiary and the Kenya Magistrates and Judges Association elections. These initiatives were aimed at impacting the lives of our stakeholders and instill a culture of democracy.

The Commission in collaboration with the Ministry of health and security agencies enforced the COVID-19 containment measures aimed at mitigating the spread of Corona virus to safeguard the Commission staff and the public.

While the Commission continues to receive funding from the National Treasury, I appeal for timely disbursement throughout the electoral cycle to enable the Commission fulfill its constitutional mandate.

I humbly invite you to read the 2020/2021 Annual Report to acquaint yourself with the Commission's activities, achievements, and preparation for the 2022 General Elections.

## 2.11 The IEBC Strategic Plan 2015 -2020

The IEBC's Strategic Plan 2015–2020, provides focus for the Commission's work. The Strategic Plan is anchored on three strategic pillars as shown in Figure 2.

Figure 2 : Strategic Pillars

## 2.12 The IEBC Strategic Plan 2020-2024

The Commission adopted the 2020-2024 Strategic Plan after reviewing the 2015-2020 Strategic Plan. The 2020-2024 Strategic Plan, which was adopted towards the end of the financial year (June 2021) is hinged on six Strategic focus areas as shown in *Figure 4*. This Strategic Plan will

guide the Commission in preparations for the 2022 General Elections and Boundaries delimitation.

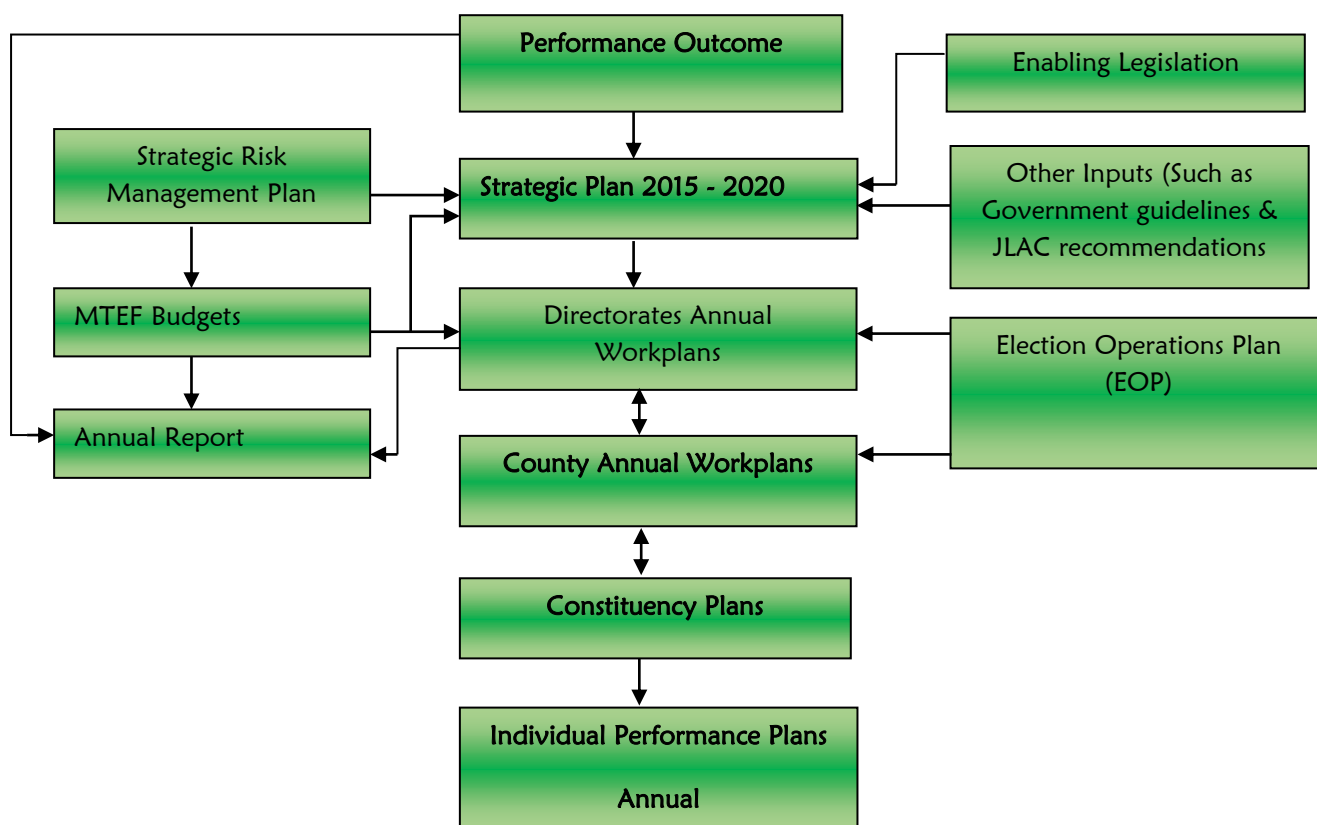

Figure 3: Focus Areas of the 2020-2024 IEBC Strategic Plan

The Strategic Plan is supported by corporate and business planning documents that address specific operational or functional requirements as shown in the framework as shown in Figure 4.

Figure 4: Planning, Operating and Reporting Framework

## 2.12 Structure of the IEBC Programmes

The Commission endeavors to achieve the following strategic outcomes:

**Outcome 1:** Elections that are efficient, effective and credible.

**Outcome 2:** A respected corporate brand in the provision of electoral services.

**Outcome 3:** Improved public confidence and participation in the electoral process.

The outcomes are realized through three Commission programmes namely; managing elections. Institutional transformation and trust and participation as shown in Table 3.

### 3.1.2.2 Electoral Training

The Commission acknowledges the need for a skilled, knowledgeable and motivated human resource and continuously seeks to improve the capacity of its staff to enable it conduct credible elections. Electoral training is an integral part of the electoral process and the Commission heavily invests in electoral training as a way of ensuring effective and efficient electoral processes. Through electoral training, personnel have been prepared for elections, registration of voters, inspection and verification of the register, nomination of candidates for elections among other electoral activities.

During the year under review, the Commission developed Electoral Training Policy to guide in the conduct of effective electoral training that embraces teamwork, integrity, innovation and efficiency in the conduct of elections and referenda.

The success of an election depends on the appropriateness and effectiveness of the electoral training. In this regard, the Commission reviewed manuals in order to standardize the training materials. The following manuals have been reviewed and were used during the by-elections for Machakos (Senatorial), Juja (MNA), and Kiambaa (MNA).

- i. Polling Station Guide
- ii. Presiding Officer Quick Guide

The Commission is in the process of finalising review of the following documents:

- i. Election Handbook
- ii. Electoral Training Policy
- iii. Electoral Training Curriculum
- iv. Electoral Training Manuals

In the year under review, the Commission successfully trained election officials for the by-elections in Machakos, (Senatorial), Msambweni, Kabuchai, Matungu, Juja, Bonchari for Member of National Assembly (MNA), Dabaso, Lakeview, Gaturi, Wundanyi/Mbale, Kahawa/Wendani, Kisumu North, London, Hellsgate, Huruma, Kitise/Kithuki, Kiamokama and Rurii County Assembly Wards (CAWs). The training of Election Officials adopted a cascaded format. The cadre of officials trained included: County Returning Officers, County Deputy Returning Officers, Returning Officers, Deputy Returning Officers, Presiding Officers, Deputy Presiding Officers, Support Electoral Trainers, Polling Clerks, Security Officers and Political Party Agents. The trainings were conducted in strict adherence to Ministry of Health (MOH) Covid-19 guidelines.

### **3.1.3.2 Recall of an Elected Member of County Assembly (MCA)**

Section 27 of the County Government Act, 2012 provides for recall of Member of County Assembly by the electorates before the end of the term on any of the following grounds: gross violation of the Constitution or any other law; incompetence; gross misconduct; or if convicted of an offence punishable by imprisonment for at least six months.

Section 28 of the County Government Act, 2012 requires such recall be filled with the Commission in writing, signed by a petitioner who is a voter in the ward in respect of which the recall is sought and supported by not less than thirty percent of the registered voters in the ward.

In order to operationalize the legal framework on recall of a member, the Commission developed administrative procedures to provide guidelines and procedures of the process.

In the period under review, the Commission received a petition for recall of Hon. Gardy Obara Jukaa, Member of County Assembly for Bukhaya North/Walatsi Ward in Busia County. Upon verification, the Commission confirmed the petition did not meet the statutory threshold.

### **3.1.3.3 Amendment of the Constitution of Kenya, 2010 Through Popular Initiative**

Article 257 of the Constitution of Kenya, 2010 provides for the amendment of the Constitution by popular initiative. In particular, Article 257(1) states that the Constitution may be amended by popular initiative, supported by at least one million registered voters. Further, Article 257(4) of the Constitution mandates the Commission to verify that the initiative is supported by at least one million signatures of registered voters.

During the period under review, the promoters of the Building Bridges Initiative (BBI) delivered to the Commission the Constitution of Kenya (Amendment) Bill, 2020 with supporting signatures of registered voters.

In fulfilling its mandate and in the absence of a legal framework governing the verification exercise, the Commission developed administrative procedures for verifying that an initiative is supported by at least one million registered voters.

Based on the records captured as per 19<sup>th</sup> January 2021, the initiative had been supported by 1,140,845 registered voters which was above the Constitutional threshold. Consequently, the promoters and the general public were notified that the Initiative had met the threshold as provided in Article 257 (4) of the Constitution of Kenya, 2010.

#### **b) Submission of Draft Bill to the County Assemblies**

Pursuant to Article 257 (5) and (6) of the Constitution of Kenya, 2010, the Commission submitted the draft Bill to each of the forty-seven (47) County Assemblies for consideration. The Constitution stipulates that the County Assemblies consider the draft bill within three (3) months from the date of submission by the Commission. The submission was made on 26<sup>th</sup> January, 2021 to the forty-seven speakers of the County Assemblies.

#### **c) Outcome of the Final Verification**

The Commission continued to capture the remaining 2,636,651 supporters' details. The exercise was concluded on Thursday, 11<sup>th</sup> February, 2021. Table 18 shows a summary of the outcomes of the verification exercise.

Table 18: Outcome of Data Entry

A total of 4,177,441 unique records supported by signatures were subjected to further analysis out of which 3,188, 001 were registered voters.

#### 3.1.3.4 Review of Diaspora Policy and Implementation Plan

Article 38 grants every citizen political rights including the right to participate in the electoral process. Article 39 confers upon every citizen the right to freedom of movement and the right to leave Kenya while Article 42 specifies the economic and social rights. Article 88 further provides for progressive registration of Kenyan citizens residing outside Kenya as voters and the progressive realization of their rights to vote.

During the year under review, the Commission reviewed the Policy on Voter Registration and Voting for citizens residing outside the Country. Further, the Commission developed implementation plan (2021-2022) in order to provide immediate steps in realization of the progressive registration of citizens residing outside Kenya and the progressive realization of their rights to vote.

#### 3.1.3.5 Voter Registration Policy and Procedures

In the period under review, the Commission reviewed the voter registration and elections policy and procedures. The Standard Operating Procedure Manual will act as reference for the Commission and form the basis upon which election officials shall base their operational decisions.

#### 3.1.3.6 Protocols for Conducting Electoral Activities in the Covid-19 Context

The COVID-19 pandemic resulted in disruption of Commission's key activities. In order to successfully prepare and manage elections, it was imperative for the Commission and other stakeholders to adopt strategies to ensure compliance to COVID-19 prevention and management.

During the year under review, the Commission developed protocols for conducting electoral activities in the COVID-19 context in line with Ministry of Health guidelines and protocols on containment of COVID-19.

### 3.1.4 Result Area #4: Equity in Representation in Parliament and County Assembly Levels

#### 3.1.4.1 Delimitation of Electoral Areas

Article 89 of the Constitution of Kenya provides for the review of the names and boundaries of constituencies and Wards at intervals of not less than eight years, and not more than twelve years, with any review being completed at least twelve months before a general election of members of Parliament.

During the period under review, the Commission embarked on a consultative process to update its geo-database in preparation for the delimitation exercise as outlined in the Boundary Review Operations Plan (BROP). Further, the Boundaries Standard Operations Manual was developed to enhance execution of timeframes and standardization of operations.

## REVIEW OF IEBC PERFORMANCE IN 2020/2021FY

Section 81 Sub-section 2 (f) of the Public Finance Management Act, 2012 requires the accounting officer to include in the financial statement, a statement of the national government entity's performance against predetermined objectives.

IEBC has three strategic pillars and objectives within its Strategic Plan for the FY 2019/2020-2023/2024.

These strategic pillars are as follows:

Pillar 1: Managing Elections.

Pillar 2: Institutional Transformation.

Pillar 3: Trust and Participation.

The Commission develops its annual work plans based on the above three pillars. Assessment of the Commission's performance against its annual work plan is done on a quarterly basis. The Commission achieved its performance targets set for its 2020-2024 strategic pillars, as indicated in the table below:

Strategic Pillar	Objective	Key Performance Indicators	Activities	Achievements
<b>Pillar 1: Managing Elections</b>	Strengthen Electoral, Legal framework and Enforcement.	All Electoral Laws reviewed and harmonized by August. ## CORPORATE GOVERNANCE STATEMENT

The Commission is accountable to the public and stakeholders through Parliament for ensuring that it complies with the highest standards of corporate governance and operational ethics. The Commission has embraced corporate governance by promoting the right corporate culture and values.

The Commission exercises reasonable care to ensure that the management of the Commission is carried out in the best interest of the citizens of Kenya. The overall management of the Commission is the responsibility of the Commissioners.

The Commission recognizes the need to conduct its affairs with integrity and in accordance with generally accepted corporate practices and internationally developed principles of corporate governance.

### **The Commission**

The size, composition and appointment of the Commission is prescribed by Article 250 of the Constitution and by the IEBC Act 2011. There were three Commissioners who worked on a full-time basis during the year under review. Each member was appointed to serve for a single term of six years.

The Commission is well composed in terms of range and diversity of skills, knowledge, age and experience in various sectors which makes it effective and provides an appropriate skills balance for the oversight of the Commission's mandate.

### **The Commission Committees and their Responsibilities**

The Commission delegates certain functions to committees without abdicating its own responsibilities. The Commission has developed a committee structure that assists in the execution of its duties, powers and authorities. The Committees are appropriately constituted drawing membership from amongst the Commissioners with the appropriate set of skills and experience and directors co-opted from various directorates.

The Commission has in place an independent Audit Committee that is chaired by a non-executive member. It also has two independent audit committee members, from the National Treasury and Ministry of ICT, and one Commissioner.

**The Audit, Risk and Compliance Committee:** Oversees the internal audit activity charged with the responsibility of continuous review and providing assurance on effectiveness of the Commission's Governance, Risk and Control.

**Human Resource Training and Administration Committee:** Provides advisory and oversight on human resource management, training and development, facilities and general administration.

**Finance and Procurement Committee:** The main role of the Finance and procurement Committee is to provide financial oversight for the Commission. The responsibilities include oversight over; Budgeting and budgetary control, Procurement, Financial management and reporting. It ensures compliance with relevant laws, Regulations and international standards especially Public Financial Management (PFM) Act, Public Procurement and Asset Disposal (PPAD) Act and Accounting Standards.

Elections and Technical Operations Committee (ETOC) provides oversight on voter registration and election operations planning, boundary delimitation and risk monitoring and compliance.

Research, Technology and Strategy Committee provides oversight on the formulation and integration of ICT in the management of elections and research and planning.

Legal Affairs and Compliance Committee oversees settlement of disputes relating to or arising from nominations, electoral code of conduct, campaign finance and code of ethics compliance. It also provides oversight on legal reforms, implementation of regulations and corporate governance.

The Commission has the following committees and conducted the meetings as per the table below;

S/No.	Committee	Key Responsibility	No. of Meetings
1.	Plenary.	Oversight, Strategy and Policy Formulation.	10
2.	Finance and Procurement Committee.	Procurement and Finance Oversight.	4
3.	Audit and Risk Committee.	Oversight on Governance, Risk and Compliance.	4
4.	Human Resources, Training and Administration Committee.	Advisory and Oversight on Human Resource functions.	9
5.	Legal Affairs and Compliance.	Legal Oversight and Compliance.	2
6.	Research, Technology and Strategy Committee.	Oversight on Election Planning and Implementation.	3
7.	Election Technical Operations Committee (ETOC).	Technical oversight on voter registration and election operations planning, boundary delimitation and review.	2

## **Impartiality and Independence of Members**

Every member of the Commission and employee shall perform their functions impartially and independently without influence from any person, authority or organization.

## **Disclosure of Conflict of Interests**

If a member of the Commission or an employee is directly or indirectly interested in any matter before the Commission and is present at any meeting of the Commission at which the matter is the subject of consideration, he/she shall as soon as practicable disclose the fact and shall not take part in the consideration or discussion of, or vote on, any questions with respect to the matter or be counted in the quorum of the meeting during consideration of the matter.

A member or employee whose personal interest conflicts with their official duties shall in writing, declare as soon as practicable the personal interests to their supervisor or other appropriate person or body and comply with any directives given to avoid the conflict and refrain from participating in any deliberations with respect to the matter.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Operational and Financial Performance

The Commission successfully conducted nineteen (19) by-elections during the period under review. These were two (2) Senatorial, five (5) Member of the National Assembly and twelve (12) Members of County Assembly. The Commission further successfully verified 4.4 million Building Bridges Signatures within the statutory timeline.

The Commission received exchequers amounting Kshs. 4.991 billion as at 30th June 2021. These funds were utilized to fund the by-elections, Building Bridges Initiative (BBI) signature verification, boundaries review preliminary activities and other operations of the Commission.

Due to budgetary constraints, the Commission has not been able to settle pending bills amounting Kshs. 2.299 billion as of 30th June 2021. The bulk of these pending bills relate to 2017 General Election legal fees and ICT technology bills. A detailed listing of these bills has been provided as an annex to this report.

### Compliance with Statutory Requirements

The Commission complied with its tax obligations and all its statutory obligations in the implementation of its mandate.

### Key Projects and Investment

The Commission had planned to construct its own building to house its head office to enhance security and efficiency in its operations. However, the project was funded during the period under review. The commission will continue to pursue funding to implement the project since the Commission offices are currently located in a rented building which is not conducive for its operations due to congestions, uncontrolled movement in and out of the offices and disruptions to the business enterprises during heightened political activities.

### Risk Management Activities

The Commission has put in place a risk management framework for risk identification and mitigation. Further, it has embedded risk management in all its planning, execution, evaluation and business continuity arrangements.

Some of the key risks facing the Commission include:

- **Strategic Risks:** These are risks that affect the ability to carry out the long-term goals and objectives as articulated in the IEBC Policy.
- **Compliance Risks:** These are risks associated with non-compliance with applicable laws and regulations which could result in litigation and conflicts of interest.
- **Political Risks:** This is a major risk factor affecting staff performance and safety. These risks could also be attributed to political perception of major political parties on the Commission's role.
- **Reputational Risks:** The risk of significant negative public opinion and or perception that results in a critical loss of confidence in the institution.

- **Financial Risks:** The risk of financial loss that may include ineffectiveness of internal controls, financial processes for reporting, budgeting, and fiscal stewardship as well as the monitoring of full financial and performance reporting. These risks may also affect the ability to acquire assets, technology, etc.
- **Technological Risks:** This a possibility of failure of technology employed by the Commission in the conduct of elections and rapid technological change resulting to obsolescence.
- **Operational Risks:** The risk of direct or indirect loss or inability to provide core services, especially to stakeholders, resulting from inadequate or failed internal processes, resources (including human resources, equipment malfunction), and systems.

## **Statutory and Financial Obligations**

During the period under review, the Commissions continued to defray some bills as first charge against 2020/2021 financial year budget and from supplementary funding from the National Treasury. As at the 30<sup>th</sup> June,2021, the Commission had paid pending bills amounting Kshs. 672.576 million leaving a balance of Kshs. 2.299 billion consisting of Kshs.1.316 billion 2017 General Election petition pending bills and Kshs 996 million ICT and other pending bills.

## **Financial Probity and Governance**

To obtain assurance on compliance and prudence in the management of the election finances, the Commission has collaborated with the relevant statutory oversight bodies and continues to undertake internal financial reviews whose outcome enables the Commission to strengthen its operational and financial systems. The Commission further approved Finance and Accounts; Procurement and Human Resource and Administration Policies and Procedures Manuals for implementation.

## ENVIRONMENTAL & SUSTAINABILITY REPORTING

The Independent Electoral and Boundaries Commission is a credible electoral management body that strives to meet the democratic aspirations of the people of Kenya.

Our Mission is to conduct transparent, efficient, and impartial elections; and undertake boundary delimitation for equitable representation and sustainable democracy.

In its endeavors to achieve its mandate, the Commission is guided by the following principles and core values:

- Adherence to the rule of law - We conduct our businesses within the law.
- Inclusivity - We respect gender, race, class and disability in the conduct of electoral activities.
- Integrity - We conduct our affairs with utmost honesty.
- Accountability - We endeavor to be responsible for our actions.
- Teamwork - We work collaboratively as colleagues to achieve Commission goals.
- Innovativeness - We transform the electoral process by exceeding the expectations of Kenyans.

### **i. Sustainability strategy and profile**

The Independent Electoral and Boundaries Commission is a Constitutional body established under Article 88 of the Constitution of Kenya and is a body corporate pursuant to Article 253 of the Constitution of Kenya.

The Constitution of Kenya 2010, IEBC Act 2011 and the Elections 2011 have been the greatest sustainability pillars of the Commission and the achievements of its mandate. The National Assembly has enacted and or amended several Statutes that enable the Commission to carry out its mandate. The role played by the State and Non-State Stakeholders and Partners in the election process have sustained the operations and the implementation of the key commission strategies.

To effectively sustain its operations, the Commission has put in place structures, strategies, policies and procedures to support its operations. In the achievement of its mandate, the commission has anchored its operations and strategy in three main pillars: Managing of elections, institutional transformation and enhancing of public trust.

The Commission, over the years has developed well trained and experienced staff on matters election operations and technology. To this end it has received benchmarking delegations from Africa and beyond. Further, it has well established structures in its county and constituency offices spread across country.

### **ii. Employee welfare**

The Commission policy on recruitment ensures the Commission's commitment to ensuring that the one third gender rule is observed as well promotes affirmative action to ensure diversity in the workplace. The Commission's Shortlisting and Interview Guidelines ensure that recruitment processes are geared towards observing and promoting regional and gender balance.

Currently the percentage gender distribution is 35% female and 65% male, while the ethnic representation within the Commission is forty-three (43) ethnic tribes out the forty-six (46) existing ethnic communities.

The Commission supports officers to be in good professional standing with their professional bodies by facilitating their Annual Subscription and Continuous Professional Development (CPD) training. In addition, the staff are trained in career development courses, specialized skills and seminars and workshops.

The Commission has a robust Performance Management System (PMS) that include Target Setting and the Annual Performance Appraisals. The Commission also recommend honors and awards and issues commendation letters in recognition of exemplary performance.

### **iii. Market place practices**

The Commission operates in an environment with a wide range of risk profiles, making free and fair election competitive focus in a very competitive elective political environment. Election code of conduct provides the commission and the public with details of malpractices that may impair competitive elections. It provides guidelines, addressing such issues as election fraud, bribery, violence, conflicts of interest, among other election irregularities.

The Commission has consistently applied the most competitive procurement method based on the prevailing procurement laws and regulation with emphasis on maximizing value for money. And equity in the procurement processes. The Commission also conducts due diligence on third parties to ensure that it engages the right supplier in its procurement.

The Commission has established responsible supplier relationship by strict compliance to the public procurement and asset disposal processes and principles as laid down in the public procurement and asset disposal legislative framework. Further, the Commission has enhanced its communication as a tool in bettering the management of the existing suppliers. The use of online procurement modules has further enhanced efficiency hence increased trust in our procurement process. This has made suppliers to have a better understanding of the Commission's business goals.

## CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Commission's overriding Corporate Social Responsibility theme is “**Connecting with the Voter**”.

In the period under review, the Commission undertook several CSR initiatives most of with other humanitarian initiatives. During the annual voter education week that was held between Monday, June 14<sup>th</sup> and Sunday, June 20, 2021 in all 47 counties and 290 constituencies countrywide, the Commission undertook CSR activities in various parts of the Country.

These activities included:

- i. Donation of sanitary towels, sanitizers, stationeries, hand washing tanks and soaps and footballs to various schools.
- ii. Sponsoring football tournaments for schools and visited children homes and donating of foodstuffs
- iii. Open air markets clean up.
- iv. Initiated Uchaguzi Club in Moi University.

Further, the Commission has institutionalized the management of school student council elections, where the Commission uses the opportunity to inculcate democratic tenets in the learner's minds. The school council elections are regularly coordinated by the Commission's County and constituency offices in their respective electoral area.

## STATEMENT OF THE ACCOUNTING OFFICER RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012, requires the Accounting Officer to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Commission as at the end of each financial year and of its operating results. It also requires the Accounting Officer to ensure that the Commission maintains proper accounting records that disclose, with reasonable accuracy at any time, the financial position of the Commission. The Accounting Officer is also responsible for safeguarding the Commission's assets.

The Accounting Officer is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (IPSAS) and in a form that complies with the standards prescribed by the Public Sector Accounting Standards Board (PSASB). This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, safeguarding the assets, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

The Accounting Officer accepts responsibility for financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Accounting Officer is of the opinion that the financial statements give a true and fair view of the state of financial affairs of the Commission and of its financial position. The Accounting Officer further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the Accounting Officer to indicate that the Commission will not remain a going concern for at least the next twelve months from the date of this statement.

## REPORT OF THE CHAIRPERSON

I am pleased to present the Commission's annual financial statements for the year ended 30<sup>th</sup> June 2021.

The Commission successfully conducted nineteen (19) by-elections during the period under review. These were two (2) Senatorial, five (5) Member of the National Assembly and twelve (12) Members of County Assembly. The commission successfully verified 4.4 million Building Bridges Signatures within the statutory timeline. The Commission further developed and launched for implementation the 2020/21-2023/24 Strategic Plan, Election Operation Plan (EOP) and Boundaries Review Operations Plan (BROP).

In the 2020/2021 financial year, the Commission was allocated Kshs. 5.309 billion under the recurrent vote and Ksh.75 million under development vote. The Commission received exchequer amounting Kshs. 4.920 billion for recurrent expenditure but incurred total expenditure of Kshs. 4.827 billion. The Commission also received exchequer amounting to Ksh. 71 million for the construction of five (5) county warehouses.

Looking forward to the National Treasury to provide adequate budget allocation and timely release of exchequer to fund the planned 2022 General election activities and settle pending bills amounting Kshs. 2.299 billion. Some of these bills continue to attract interest due to non-payment.

I wish to register and applaud the Members and Staff of the IEBC as well as all partners and stakeholders for their support towards fulfilling Commission's mandate as enshrined in the Constitution of Kenya 2010.

In Conclusion, I wish to convey the gratitude of the Commission to the National Government, the National Treasury, Parliament, partners, stakeholders and staff of the Commission for their continued support towards fulfilling our mandate.

W.W. Chebukati

Chairperson

## REPORT OF THE SECRETARY/CHIEF EXECUTIVE OFFICER

The Independent Electoral and Boundaries Commission hereby submit its Financial Statements for Financial Year 2020/2021. During the period under review, the Commission was allocated a total of Ksh. 5,308,633,000 for recurrent expenditure to implement its programmes and activities. Further, the Commission was allocated Ksh. 75,000,000 for development expenditure for the construction of county warehouses. The Commission realized 91% and 95% absorption rates for recurrent and development expenditures respectively.

The Financial Statements comprise of the Statement of the Financial Performance, Statement of the Financial Position, Statement of Changes in Net Assets, Statement of Cash Flows and Statement of Combined Budget Execution. The Commission has continued to ensure probity and prudence in the management of its resources in accordance to the provisions of the Public Finance Management Act, 2012 and the attendant Regulations. The Statements of the Commission are also prepared in conformity to the International Public Sector Accounting Standards (IPSAS) on prudent financial management and reporting.

The mandate of the Commission is derived from Article 88 of the Constitution of Kenya, 2010 and statutory instruments that include; the IEBC Act, 2011, the Elections Act, 2011 and the attendant election regulations. The Commission is responsible for enforcing the Electoral Code Conduct and monitoring compliance relating to the nomination of candidates by parties. It also conducts investigation of electoral malpractices in Kenya.

The Mission of the Commission is to conduct transparent, efficient, and impartial elections; and undertake boundary delimitation for equitable representation and sustainable democracy. This is reflected in the conduct of the elections and the election related activities in a manner that consistently deliver the desired results. During the reporting period, the Commission successfully conducted nineteen (19) by-elections without any legal contestation. These were two (2) Senatorial, five (5) Member of the National Assembly and twelve (12) Members of County Assembly. It is worth noting that the Commission has successfully incorporated Covid -19 pandemic mitigation protocols in its electoral operations as guided by the Ministry of Health.

The Commission has continued to undertake continuous voter registration across the country and update the roll/register of voters. During the period under review, the registered number of voters stood at 19,711,240.

Public trust and participation is key pillar in the commissions strategic direction aimed at instilling confidence and trust in the electoral processes among citizens. In cognizance of this the commission has continued to work very closely with various electoral stakeholders to ensure transparency and inclusivity in the electoral process. During the reporting period, the Commission accredited 453 observers for the by-elections, 99 BBI observers and 1517 long term observers.

The Commission further, successfully verified 4.4 million signatures of the supporters of the Building Bridges Initiative within the statutory timelines and forwarded the Referendum Bill to all

the counties as required by the law. In addition, the Commission developed and launched for implementation the 2020/21-2023/24 Strategic Plan, Election Operation Plan (EOP) and Boundaries Review Operations Plan (BROP).

In addition, the Commission developed and submitted to Parliament for consideration and enactment, the draft Referendum Bill, 2020, draft Independent Electoral and Boundaries (Amendment) Bill, 2020 and the Election Campaign Financing (Amendment) Bill, 2020. The Commission would be pleased to have the bills enacted in readiness for the 2022 General Election.

The Commission recognizes that risk management and assurance are important corporate governance pillars. To this end, the Commission has embedded a robust risk management framework in all its operations and functions. The Commission has put in place continuous risk assessment and mitigation strategies to enhance internal controls and compliance. The Commission has also undertaken enterprise wide risk management trainings, established Risk Register and continuous review of Commission's processes and operations.

I wish to thank the Chairperson, Commissioners and members of staff for their dedication and commitment in realization of the set-out goals and objectives. I salute all partners and stakeholders for their support towards fulfilling Commission's mandate as enshrined in the Constitution of Kenya 2010.

# SIGNIFICANT ACCOUNTING POLICIES

For the Year Ending 30<sup>th</sup> June, 2021

## 1. Statement of compliance and basis of preparation – IPSAS 1

The Commission's financial statements have been prepared in accordance with and comply with the International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Commission and all values are rounded to the nearest thousand (Kshs 000) which may in some cases make the added decimal balances to vary. The accounting policies have been consistently applied in all the years presented.

The financial statements have been prepared on the basis of historical cost, unless where stated otherwise. The cash flow statement is prepared using the indirect method. The financial statements are prepared on accrual basis.

## 2. Summary of Significant Accounting Policies:

### a) Revenue Recognition - Revenue from Non-Exchange Transactions (Fees, Charges and Fines) – IPSAS 23

The Commission recognizes revenues from nomination fees and fines when the event occurs, and the asset recognition criteria are met. To the extent that there is a related condition attached that would give rise to a liability to repay the amount, deferred income is recognized instead of revenue. Other non-exchange revenues are recognized when it is probable that future economic benefits or service potential associated with the asset will flow to the Commission and the fair value of the asset can be measured reliably.

#### Transfers from Other Government Entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Commission and can be measured reliably.

#### Interest Income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

### b) Budget Information – IPSAS 24

The annual budget is prepared and presented in a single statement to determine the needs of the Commission. The Commission has adopted the standard which requires budget information to be presented in the financial statements.

## SIGNIFICANT ACCOUNTING POLICIES (Continued)

For the Year Ending 30<sup>th</sup> June, 2021

### c) Taxes – IAS 12

#### Income tax

Income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the area where the Commission operates and generates taxable income.

Current income tax relating to items recognized directly in net assets is recognized in net assets and not in the statement of Financial Performance. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### d) Property, Plant and Equipment – IPSAS 17

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the Commission recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

The depreciation rates are 30% for Computers, 25% for motor vehicles, 12.5% for office equipment and 12.5% for furniture and fittings on reducing balance basis.

### e) Intangible Assets – IPSAS 31

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange.

Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

The amortization rate for intangible assets of the Commission is 30% on reducing balance basis.

## SIGNIFICANT ACCOUNTING POLICIES (Continued)

For the Year Ending 30<sup>th</sup> June, 2021

### **f) Research and Development costs**

The Commission expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Commission can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale.
- Its intention to complete and its ability to use or sell the asset.
- How the asset will generate future economic benefits or service potential.
- The availability of resources to complete the asset.
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

### **g) Provisions – IPSAS 19**

Provisions are recognized when the Commission has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Commission expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

### **h) Contingent Liabilities**

The Commission does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

### **i) Contingent Assets**

The Commission does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Commission in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential

## **SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**For the Year Ending 30<sup>th</sup> June, 2021**

will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

### **j) Nature and Purpose of Reserves**

The Commission creates and maintains reserves in terms of specific requirements. Commission to state the reserves maintained and appropriate policies adopted.

### **k) Changes in Accounting Policies and Estimates – IPSAS 3**

The Commission recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

### **l) Employee Benefits – IPSAS 25**

#### **Retirement Benefit plans**

The Commission provides retirement benefits for its full-time employees. It operates a defined contribution plan which is a post-employment benefit plan under which the Commission pays fixed contributions into a separate Commission (fund), and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable. The Scheme is administered by ICEA Lions Asset Management Ltd.

### **m) Foreign Currency Transactions – IPSAS 4**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

### **n) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### **o) Comparative Figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

## SIGNIFICANT ACCOUNTING POLICIES (Continued)

For the Year Ending 30<sup>th</sup> June, 2021

### p) Significant Judgments and Sources of Estimation Uncertainty – IPSAS 1

The preparation of the Commission's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

#### Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Commission based its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Commission. Such changes are reflected in the assumptions when they occur. (IPSAS 1.140)

#### Useful Lives and Residual Values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Commission
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset.

#### Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in the note on provision for gratuity.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are where applicable, discounted to present value where the effect is material.

### q) Subsequent Events – IPSAS 14

There have been no events subsequent to the financial year end with a significant impact on the financial statements.

## r) Inventories – IPSAS 12

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

## 3. Adoption of New and Revised Standards

- i) Relevant new standards and amendments to published standards effective for the year ended 30 June 2021.

Standard	Effective date and impact:
<b>Standard: IPSAS 39: Employee Benefits</b>	<b>Applicable: 1st January 2018</b> The objective of IPSAS 39 was to create convergence to changes in IAS 19 Employee benefits. The IPSASB needed to create convergence of IPSAS 25 to the amendments done to IAS 19. It was intended to ensure accurate information relating to pension liabilities arising from the defined benefit scheme. Not applicable to IEBC. Pension scheme that is administered by trustees.

- ii) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2021.

Standard	Effective date and impact:
<b>Standard: IPSAS 40: Public Sector Combinations</b>	<b>Applicable: Applicable: 1st January 2019</b> <b>Impact:</b> The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3- Business combinations and combinations arising from non-exchange transactions which are covered purely under Public Sector combinations as amalgamations. Not Applicable to IEBC.

### 10. ECK Accounts Receivable

The uncleared old balances of Kshs 11,160,000 consists of Electoral Commission of Kenya staff salary advances and imprests that were outstanding at the time the defunct Electoral Commission of Kenya was disbanded in 2008.

The Commission has provided evidence to the National Treasury's Old Balances Taskforce that the amounts were recovered from the terminal dues and final salaries and wages to the Electoral Commission of Kenya staff.

### 11. ECK Car Loan Accounts Receivable

The former Ministry of Justice, National Cohesion & Constitutional Affairs recovered Kshs. 26,193,965.00 on account of car loan recoveries, Kshs. 11,160,000 on account of imprests/advances from the Commissioners and Staff of the defunct Electoral Commission of Kenya (ECK) and forwarded to the National Treasury after the disbandment of the ECK.

The Commission requested the Permanent Secretary to the National Treasury to refund the car loan recoveries and imprests/advances or authorize the Commission to write off the same from the books of accounts as per Section 69 (1)-(4) of the PFMA, 2012 and the PFMA 2012, Regulations. The Commission is yet to receive any feedback.

## 17. Related Party Transactions

Entities and other parties related to the entity include those parties who have abilities to exercise control or exercise significant influence over its operating and financial decisions.

The Government of Kenya is the principal financier to the Commission's activities by way of exchequer releases.

During the period under review, the Commission had transactions detailed with related parties as follows:

Description	2020/2021	2019/2020
	Unaudited	Audited
	Shs 000	Shs 000
Salary Advances to staff at Zero Interest Rate	1,939	797

## 18. IEBC Staff Car Loan and Mortgage Scheme

As at the end of the quarter under review, the Commission had transferred Kshs. 9,583,593.50 and Kshs. 1,800,000.00 to IEBC Staff Mortgage and IEBC Staff Car Loan funds respectively. The Commission prepares a separate set of IEBC Staff Car Loan and Mortgage Scheme financial statements.

## 19. Budget Information & Other Disclosures

The original budget for 2020/2021 financial year was approved by the National Assembly in June 2020. Subsequent revisions were made to the approved budget in accordance with specific approvals from the National Treasury and National Assembly.

The Commission's budget execution statement was prepared on a cash basis and informed by the actual income and expenditure as reflected in the IFMIS system.

The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were adjusted from the cash basis to the accrual basis.

National Treasury allocated to the Commission Kshs. 5.308 billion under the Recurrent Vote and Kshs.75 million under Development Vote.

## NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Year Ending 30<sup>th</sup> June, 2021

The material variances in the budget execution statement can be explained as follows:

### a) AIA Collections

Appropriation in aid earned by the Commission as at 30th June, 2021 was mainly from nomination fees, sale of voter registers and electoral boundary maps.

The amounts of appropriation-in-aid (AIA) receivable is largely dependent on the number and type of by-elections held in a period which cannot be estimated easily.

### b) Acquisition of Fixed Capital Assets for Boundaries Activities - 17%

The procurement of boundary software and equipment had not been completed as at the end of the financial year.

### c) Routine Maintenance for Boundaries Activities –0%

The planned major boundaries exercise did not take place. In some instances, the procurement processes were not completed in the period under review and constitute part of the pending bills.

## 20. Contingent Assets

IPSAS 19 prescribes the accounting treatment for provisions, contingent liabilities and contingent assets and defines their identification and recognition.

During the previous financial years, the Commission was awarded costs amounting to Kshs.59.854 million (taxed costs) and Kshs. 205.060 million (capped costs). However, collection of capped costs requires taxation before determination of actual amount collectable. Further, some petitions were filed by indigent litigants acting as surrogates for politicians out to cushion themselves against award of costs.

## 21. Contingent Liabilities

IPSAS 19 prescribes the accounting treatment for provisions, contingent liabilities and contingent assets and defines their identification and recognition.

The Commission has been sued in various cases with the potential exposure of at least Kshs. 157.351 million to pay various general election pending bills which have not been validated by the National Treasury's internal audit department or have pending court cases.

The Commission is a defendant or co-defendant in various election petition litigations and claims. The outcomes of these litigations and claims are yet to be determined.

## NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Year Ending 30<sup>th</sup> June, 2021

### 22. Employee Benefits: Defined Contribution Scheme

IPSAS 25 prescribes the accounting and disclosure requirements for employee benefits and establishes the matching principle that the cost of the employee benefits should be recognized in the period in which the employee provides the services to the entity and not when they are paid or become payable.

The Commission runs a defined contribution pension scheme. The assets of the scheme are held in a separate trustee administered fund, which is funded by contributions from both the Commission as the employer at 15% and employees at 7.5% of basic salary. The scheme is currently managed by ICEA Lion Asset Management.

The Commission's contributions to the above scheme are charged to the income and expenditure account in the period to which they relate.

The latest fund financial position and performance is as summarized below:

<b>IEBC Staff Pension Scheme</b>	<b>2020/2021</b>	<b>2019/2020</b>
	<b>Unaudited</b>	<b>Audited</b>
	<b>Shs 000</b>	<b>Shs 000</b>

Administrative Expenses	(11,497)	(7,716)
<b>Total</b>	<b>3,215,862</b>	<b>2,564,668</b>

### 23. Number of Employees

The average number of permanent and pensionable employees for the Commission as at 30th June, 2021 and 2020 stood at eight hundred and forty-six (846) and eight hundred and seventy (870) respectively.

<b>Description</b>	<b>2020/2021</b>	<b>2019/2020</b>

## CORPORATE GOVERNANCE STATEMENT

The Commission is accountable to the public and stakeholders through Parliament for ensuring that it complies with the highest standards of corporate governance and operational ethics. The Commission has embraced corporate governance by promoting the right corporate culture and values.

The Commission exercises reasonable care to ensure that the management of the Commission is carried out in the best interest of the citizens of Kenya. The overall management of the Commission is the responsibility of the Commissioners.

The Commission recognizes the need to conduct its affairs with integrity and in accordance with generally accepted corporate practices and internationally developed principles of corporate governance.

### **The Commission**

The size, composition and appointment of the Commission is prescribed by Article 250 of the Constitution and by the IEBC Act 2011. There were three Commissioners who worked on a full-time basis during the year under review. Each member was appointed to serve for a single term of six years.

The Commission is well composed in terms of range and diversity of skills, knowledge, age and experience in various sectors which makes it effective and provides an appropriate skills balance for the oversight of the Commission's mandate.

### **The Commission Committees and their Responsibilities**

The Commission delegates certain functions to committees without abdicating its own responsibilities. The Commission has developed a committee structure that assists in the execution of its duties, powers and authorities. The Committees are appropriately constituted drawing membership from amongst the Commissioners with the appropriate set of skills and experience and directors co-opted from various directorates.

The Commission has in place an independent Audit Committee that is chaired by a non-executive member. It also has two independent audit committee members, from the National Treasury and Ministry of ICT, and one Commissioner.

The Audit, Risk and Compliance Committee oversees the internal audit activity charged with the responsibility of continuous review and providing assurance on effectiveness of the Commission's Governance, Risk and Control.

## Mortgage and Car Loan Committee

The Mortgage and Car Loan funds are managed by the following members as per Regulations 2016:

Members	Responsibility
Obadiah Keitany	Chairperson
Lorna Onyango	Vice Chairperson
Dr. Eroo Mele	Member
Sahara Ibrahim	Member
Salome Oyugi	Member
Arnold Wekesa	Member

## Impartiality and Independence of Members

Every member of the Commission and employee shall perform their functions impartially and independently without influence from any person, authority or organization.

## Disclosure of Conflict of Interests

If a member of the Commission or an employee is directly or indirectly interested in any matter before the Commission and is present at any meeting of the Commission at which the matter is the subject of consideration, he/she shall as soon as practicable disclose the fact and shall not take part in the consideration or discussion of, or vote on, any questions with respect to the matter or be counted in the quorum of the meeting during consideration of the matter.

A member or employee whose personal interest conflicts with their official duties shall in writing, declare as soon as practicable the personal interests to their supervisor or other appropriate person or body and comply with any directives given to avoid the conflict and refrain from participating in any deliberations with respect to the matter.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Operational and Financial Performance

The Commission's Mortgage and Car Loan revolving fund is managed by Housing Finance Corporation of Kenya and was set up in March 2017. During the period under review, the Commission disbursed **Kshs. 9,583,594.00** and **Kshs. 1,800,000.00** to IEBC Staff Mortgage and IEBC Staff Car Loan funds respectively.

Since its inception, a total of ninety-three (93) members of staff have benefited from the scheme. Sixty-five (65) have been issued with mortgages valued at Kshs. 506,166,830.00 whereas twenty-eight (28) members of staff have been issued with car loans valued at Kshs. 51,990,000.00.

	No. of applications made	Successful applications
Mortgage Fund applications	87	65
Car Loan Fund applications	32	28
<b>Total</b>	<b>119</b>	<b>93</b>

As the end of 30<sup>th</sup> June 2021, the Fund had earned Kshs. 19.573 million from high interest earning bank balances as compared with Kshs.14.824 million earned in the similar period the previous year. Further, the Scheme earned interest on loans amounting Kshs.11.925 million on Mortgage and Car loan schemes as compared to Kshs.10.931 million earned in the previous financial year.

### Compliance with Statutory Requirements

The Fund complied with its tax obligations and all its statutory obligations in the implementation of its mandate.

### Key Projects and Investment

The Commission has continued to invest in the mortgage and car loan schemes for the staff. This is intended to provide affordable housing for the staff while at the same time facilitating the staff to conveniently commute to and from work.

### Risk Management Activities

The Commission has put in place a risk management framework for risk identification and mitigation. Further, it has embedded risk management in all its planning, execution, evaluation and business continuity arrangements.

Some of the key risks facing the Scheme Fund include:

- **Strategic Risks:** These are risks that affect the ability to carry out the long term goals and objectives as articulated in the Fund Policy.
- **Compliance Risks:** These are risks associated with non-compliance with applicable laws and regulations which could result in litigation and conflicts of interest.

- **Financial Risks:** The risk of financial loss that may include ineffectiveness of internal controls, inadequate funding, inability to service the loans and delay in financial reporting due reliance on third party financial information. The delayed funding may also result in the commission's inability to fund all the applications hence the delay in issuing of loans and acquisition of the properties.
- **Operational Risks:** The risk of direct or indirect loss or inability to provide core services, especially to stakeholders, resulting from inadequate or failed internal processes, resources and systems.

## **Statutory and Financial Obligations**

In the period under review, the fund was able to satisfy all the applications, except where the necessary information to support compliance and due diligence was not available. Further the commission complied with all the necessary laws and regulations applicable in the management of the funds.

## **Financial Probity and Governance**

To obtain assurance on compliance and prudence in the management fund finances, the Commission prepares the financial statements for the Mortgage and Car Loan funds which are be subjected to both internal and external audit. The audit findings and recommendations enable the Commission to strengthen the fund operational and financial systems.

To obtain assurance on compliance and prudence in the management of the Fund finances, the Commission has collaborated with the relevant statutory oversight bodies and continues to undertake internal financial reviews whose outcome enables the Commission to strengthen its operational and financial systems.

## REPORT OF THE CEO/COMMISSION SECRETARY

The Public Finance Management Act, 2012, requires the Accounting Officer to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Commission as at the end of each financial year and of its operating results. It also requires the Accounting Officer to ensure that the Commission maintains proper accounting records that disclose, with reasonable accuracy at any time, the financial position of the Fund. The Accounting Officer is also responsible for safeguarding the Commission's assets.

The Accounting Officer is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (IPSAS) and in a form that complies with the standards prescribed by the Public Sector Accounting Standards Board (PSASB). This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, safeguarding the assets, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

The Accounting Officer accepts responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Accounting Officer is of the opinion that the financial statements give a true and fair view of the state of financial affairs of the Fund and of its financial position. The Accounting Officer further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the Accounting Officer to indicate that the funds will not remain as going concerns for at least the next twelve months from the date of this statement.

**Marjan Hussein Marjan**

**Ag. Commission Secretary/CEO**

## REPORT OF THE CHAIRPERSON

It gives me great pleasure to present the Commission's Staff Mortgage and Car Loan draft annual financial statements.

Staff welfare is a major concern for robust Commission culture. In this respect, the Commission has continued to implement Staff Mortgage and Car Loan schemes in line with Government regulation to which I have the pleasure of presenting the draft financial statements for the period ending 30<sup>th</sup> June, 2021.

In the 2020/2021 financial year, the Commission was allocated Kshs.9.773 million to finance the staff mortgage scheme and Kshs. 1.800 million to finance the staff car loan fund scheme. Since inception, a total of ninety-three (93) members of staff have benefited from the schemes.

The Commission ensured prudent financial management and reporting in line with Public Finance Management Act (PFMA) 2012, Government Financial Regulations, 2015 and International Public Sector Accounting Standards (IPSAS) resulting in efficient and effective administration of the Scheme.

I encourage all staff members to optimally utilize the facility for improvement of their welfare and to remain resilient and focused in the performance of the Commission mandate.

My gratitude goes out to the National Government, the National Treasury, Parliament, the Judiciary, other Commissions and Independent Offices, fellow Commissioners and the staff of the Commission for their support towards fulfilling our mandate.

# SIGNIFICANT ACCOUNTING POLICIES

For the Period Ending 30<sup>th</sup> June, 2021

## 1. Statement of compliance and basis of preparation – IPSAS 1

The Commission's Staff Mortgage and Car Loan Scheme financial statements have been prepared in accordance with and comply with the International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Commission and all values are rounded to the nearest thousand (Kshs 000) which may in some cases make the added decimal balances to vary. The accounting policies have been consistently applied in all the years presented.

The financial statements have been prepared on the basis of historical cost, unless where stated otherwise. The cash flow statement is prepared using the indirect method. The financial statements are prepared on accrual basis.

## 2. Summary of Significant Accounting Policies:

### s) Revenue Recognition - Revenue from Non-Exchange Transactions (Fees, Charges and Fines) – IPSAS 23

The Commission recognizes revenues from high interest bank balances earned and the asset recognition criteria are met. To the extent that there is a related condition attached that would give rise to a liability to repay the amount, deferred income is recognized instead of revenue. Other non-exchange revenues are recognized when it is probable that future economic benefits or service potential associated with the asset will flow to the Commission and the fair value of the asset can be measured reliably.

#### Interest Income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

### t) Budget Information – IPSAS 24

The annual budget is prepared and presented in a single statement to determine the needs of the Commission. The Commission has adopted the standard which requires budget information to be presented in the financial statements.

### u) Taxes – IAS 12

#### Income tax

Income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the area where the Commission operates and generates taxable income.

## SIGNIFICANT ACCOUNTING POLICIES

### For the Period Ending 30<sup>th</sup> June, 2021

Current income tax relating to items recognized directly in net assets is recognized in net assets and not in the statement of Financial Performance. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### **v) Provisions – IPSAS 19**

Provisions are recognized when the Commission has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Commission expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

#### **Contingent Liabilities**

The Commission does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

#### **Contingent Assets**

The Commission does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Commission in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

#### **w) Nature and Purpose of Reserves**

The Commission creates and maintains reserves in terms of specific requirements. Commission to state the reserves maintained and appropriate policies adopted.

#### **x) Changes in Accounting Policies and Estimates – IPSAS 3**

The Commission recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

## SIGNIFICANT ACCOUNTING POLICIES

For the Period Ending 30<sup>th</sup> June, 2021

### **y) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### **z) Comparative Figures**

Comparative figures for the year have been provided.

### **aa) Significant Judgments and Sources of Estimation Uncertainty – IPSAS 1**

The preparation of the Commission's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

### **Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Commission based its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Commission. Such changes are reflected in the assumptions when they occur. (IPSAS 1.140)

### **bb) Subsequent Events – IPSAS 14**

There have been no events subsequent to the financial year end with a significant impact on the financial statements.
