PRESS RELEASE

FOR IMMEDIATE RELEASE

Nairobi, Kenya: Wednesday, 20th August 2025

SUBJECT: FAKE PRESS RELEASE ON IEBC'S INVOLVEMENT IN DISSOLUTION OF PARLIAMENT

The Commission's attention has been drawn to a document appearing as "a Press Release", in the social media, fashioned to depict it as having originated from the IEBC and titled "Dissolution of Parliament".

We wish to clarify as follows:

- a. That the document fashioned as "Press Release", bearing resemblance to the IEBC brand, circulating in the social media is absolutely FAKE and UNTRUE.
- b. The public is advised to disregard the alleged "Press Release" in its totality and to treat it with the utmost disregard, disdain, and contempt that it behoves and deserves.
- c. Like similar fraudulent and misleading posts seen lately, we will investigate the source(s) of this misleading post to uncover the authors so as to profer necessary legal action against those found culpable.
- d. IEBC cautions those behind such and any other fake messages touching on its mandate to desist from these as they violate the law. Such messages are intended to undermine trust and confidence in the election management body and its processes. This poses grave danger to our democratic election processes and risks the stability of our nation. **It must stop.**
- e. Meanwhile and so as to help prevent this emerging national threat, the Commission invites members of the public to seek clarity on any information associated with IEBC by contacting us through publicly known and available channels including our social media platforms, email, telephone or by walking into any of our offices (constituency, county or the headquarters).

The Commission remains steadfast in its commitment in strengthening Kenya's democracy and reassures the nation of its stoic determination to deliver fair, credible and transparent elections.

ERASTUS EDUNG ETHEKON, HSC
CHAIRPERSON, INDEPENDENT ELECTORAL AND BOUNDARIES COMMISSION (IEBC)
