## PRESS RELEASE

### SUBJECT: WEEK 2 – STATUS UPDATE ON CONTINUOUS VOTER REGISTRATION

**Nairobi, Kenya: Friday, 10<sup>th</sup> October 2025**

The Independent Electoral and Boundaries Commission (IEBC), in line with Article 88 of the Constitution of Kenya, 2010, continues to conduct Continuous Voter Registration (CVR) across all 290-constituency offices.

The Commission appreciates the many Kenyans who have already registered, updated their details, or transferred their voter records. Your participation is vital in strengthening the foundation of free, fair, and credible elections.

As of 8th October 2025, the ongoing CVR exercise has recorded the cumulative data indicated below:

- Newly registered voters: 20,754
- Transfers: 3,207
- Updates: 61

While we commend this progress, turnout among the targeted youth remains lower than expected. With a national target of 6.3 million new voters, the Commission urges all eligible Kenyans, particularly the youth, to take this opportunity to register and make their voices count in the 2027 General Election.

#### **Call to Action**

IEBC calls upon all eligible citizens—especially young people who have recently attained voting age—to visit the nearest constituency office and register.

Your vote begins with registration. Your voice matters. Your future depends on it.
