

ADDENDUM 2

DATE: 16th February, 2022

Supply and Delivery of KIEMS Network for 2022 General Election
Tender no: IEBC/OT/022/27/2021/2022

Pursuant to section 75(1) of the Public Procurement and Assets Disposal Act, 2015 the Commission hereby makes an addendum of the above tender as follows:

QUERY	RESPONSE
For load balancing, do you require a separate gateway IP address for the primary site and another for secondary site? If not elaborate the failover.	Provide separate gateway IP addresses for the primary and remote sites.
If IEBC is providing the load balancer confirm the make and model of the load balancer.	Detailed information on the equipment model will be officially communicated after tender award during implementation.
What process shall be used to issue instructions on reloading of the SIM cards?	This is an administrative detail that will be agreed on between all the MNOs and the Commission.
Provide the timetable of the program (Technology Simulation) to test, verify, and deploy technology at least sixty days before the General Election.	The exact time will be agreed on between the KIEMS technology vendor and the MNOs but, in any case, this is scheduled to be no later than 60 days before the General Elections.
Where is the private cloud located?	The location of the cloud data center will only be communicated on need-to-know basis after contracting and signing of a non-disclosure agreement.
Please confirm the payment terms in the proposed framework agreement	Payment shall be made within Thirty (30) days of receipt of the invoice and the relevant documents specified in Sub-clause 6.4; subject to agreed milestones between the Commission and service Providers and also within specified days in the schedules of delivery/milestones in the case of the final payment.
What level of Access do you require from the Network Management Tool/Portal?	Read/View only
Please share the Escalation Matrix	The escalation matrix shall be provided for and agreed on between the MNOs and the Commission during the contracting and SLA preparation.
Please provide the number of SIM cards required in Juba.	Five (5)
We request for an extension of 7 days w.e.f 18 th February 2022 to optimally respond to this request.	The closing date has been extended to 25 th February, 2022 at 11:00am at Anniversary Towers 5 th Floor

QUERY	RESPONSE
Clarify ITT2.2 Page 21 - The intended Completion Date is; (2) year upon signing of the contract.	<p>The successful Tenderer will be expected to complete the performance of the Services by the completion of Three (3) year contract as the Intended Completion Date</p> <p>From the General Elections timelines, the project completion date should be ready as per the Commissions EOP timelines that require Audit of Technology in May 2022 and the Simulation and Testing of Technology starting on 1st June 2022.</p>
